PROFESSIONAL EXPERIENCE

The Embassy of Australia, Washington D.C. USA October 2025 - February 2026
Senior Research Officer, Trade and Economic Security, Department of Foreign Affairs and Trade (DFAT)

- Delivered analysis for strategy on U.S. trade policy, industrial strategy, and critical minerals supply chains, advising on developments affecting Australia–U.S. economic cooperation and China-related economic risk.
- Prepared ministerial-level briefings, talking points, and background notes supporting Prime Ministerial and senior ministerial engagements with U.S. Administration officials, U.S. Congress, and industry leaders.
- Synthesised complex political, economic, and regulatory developments into concise decision-support products for senior diplomatic and ministerial stakeholders operating in fast-moving policy environments.
- Authored regular diplomatic reporting cables to Canberra analysing U.S. tariffs, trade data, and industrial policy developments, translating complex economic data into policy-relevant conclusions.
- Supported preparations and program development for official visits and travel, coordinating engagement across U.S. government, think-tank, academic and industry networks.
- Brokered cross-portfolio coordination across Trade, Industry, Home Affairs, Defence, and whole-of-post stakeholders to ensure coherent Australian policy engagement in Washington.

The Embassy of Australia October 2024 - October 2025

Executive Assistant and Research Coordinator to Minister Counsellor/Regional Director, Department of Home Affairs

- Coordinated travel, diary management and regional communications for the Minister-Counsellor across Home Affairs posts in the Americas, including Bogotá, Santiago, Ottawa and Brasília, and introduced new mechanisms for regional coordination, including a quarterly Americas newsletter.
- Supported Embassy outreach and public diplomacy activities, including events, social media and digital communications designed to advance policy messaging and stakeholder engagement.
- Represented the Department of Home Affairs and Australian Border Force at external forums and think-tank events, producing reporting and analytical notes to support Post and departmental priorities.

- Supported official visits and parliamentary delegations through program development, stakeholder coordination, briefing preparation and post-visit reporting.

- Produced policy analysis translating complex U.S. legislative, regulatory and domestic developments into concise, actionable advice for Australian government decision-makers.

Australian Taxation Office (ATO) November 2023 - November 2024

Executive Assistant to Assistant Commissioner/s of Enterprise Planning and Performance Reporting

- Supported Assistant and Deputy Commissioners in enterprise planning, performance reporting, and federal tax governance within Australia's national taxation authority.

- Drafted governance frameworks, executive briefs, and strategic communications informing organisational planning and accountability processes.

- Coordinated cross division delivery of the Reconciliation Action Plan, managing stakeholder alignment, reporting workflows, and implementation tracking.

- Supported Australian National Audit Office (ANAO) performance audits by consolidating multi-division data and coordinating compliance responses across ATO business units.

- Managed executive reporting and correspondence flows to ensure accuracy, timeliness, and integrity of information for senior decision-making.

Paul Edmonds and Associates (Work experience: April 2020) November 2022 - November 2023

Paralegal

- Supported the Principal Solicitor across 25+ criminal law matters, including drug-related and other serious offences, contributing to case preparation, procedural compliance and client-facing legal processes.

- Managed end-to-end case file systems, ensuring accurate organisation, accessibility of evidence, and continuity across active litigation workflows.

- Developed and delivered internal training for paralegals on information governance, case management systems, and secure handling of legal documentation.

- Implemented and maintained case management processes and digital systems, improving workflow efficiency and consistency in document and evidence management across matters.
